Exercise Assignment 4 (Chapter 3)

Please complete the following exercises at the end of Chapter 3. Exercises are to be submitted by uploading a pdf document.

Please show your work and box your answers. If you complete the document by hand, it will have to be scanned and submitted. Handwritten work must still be well laid out, and legible. Each exercise is worth 2 points. Please use your university ID and ES4 for the file name. For example, if I am submitting the assignment, the file name is mdavi03sES4.
